Hugs and Kisses Quilt

Introducing Andover Fabrics new collection: LOVE ME DO by Kim Schaefer

Quilt designed by Kim Schaefer

Quilt finishes 68" x 64"

24 Blocks: 8" x 8"

Hearts flourish in vibrant pinks and reds, made more dramatic with the addition of black prints. Let your sewing skills express your feelings in this quilt, just right to hang on a beloved person's wall. The Xs and Os are fused, and the piecing is easy enough for beginning quilters.

Cutting Directions

Note: Read assembly directions before cutting patches. All measurements are cut sizes and include 1/4" seam allowances. A fat 1/4 is an 18" x 20"-22" cut. Borders are cut the exact lengths required plus 1/4" seam allowances. WOF designates the width of fabric from selvedge to selvedge (approximately 43" wide).

Making the Quilt

1. The valentine that is the centerpiece of the quilt is made with planned scraps, allowing you the opportunity to place the fabrics as you wish. If you want to duplicate the quilt shown, count each fabric and cut the number of $4\frac{1}{2}$ " squares needed. Cut the $4\frac{7}{8}$ " squares that are cut in half to fill in the outer edges of the valentine.
2. Referring to the Quilt Diagram, arrange the squares and triangles in horizontal rows, adding the Fabric G square and triangles at the center of the top row. Join the patches into rows, and then join the rows.
3. Sew Fabric G patches into units where needed, and sew to corners of the heart.
4. Sew short Fabric G borders to the sides. Sew longer borders to the top and bottom. Likewise, sew Fabric E borders to the sides, and then to the bottom.

5. The X and O patches can be appliquéd to the 8½" background squares using fusible webbing. Make an acrylic or cardboard template of the X and O. Draw around the templates to mark 12 of each shape on the web's paper backing. Roughly cut out the paper shapes. Following manufacturer's directions, fuse each to the back of appropriate fabrics. Carefully cut out each fabric shape, using sharp pointed scissors. Remove paper backing. Centering the appliqué, fuse each to a background square, noting combinations of fabrics. Use a machine straight stitch with invisible thread to stitch near the edge of each patch, or use a decorative stitch with matching thread. Make 12 X blocks and 12 O blocks.

6. Refer to the Quilt Diagram. Arrange the appliqué blocks and the black rectangles around the quilt, noting the placement of all fabrics and appliqué. Join to make the outer borders. Sew to the sides, and then to top and bottom.

Finishing the Quilt

7. Layer the quilt with batting and backing and baste. Quilt in the ditch around borders, appliqué, and patches. Quilt the background patches as desired. Bind to finish the quilt.
